THE ILLINI GREEK is a weekly informational email providing pertinent information to U of I fraternities and sororities on their individual operations, involvement in governing councils and engagement in the greater campus community. Fraternity and SorORITY Affairs is committed to communication with our student leaders as well as alumni, house directors, (inter)national organizations, and other key constituents that support our fraternity and sorORITY community. Check out the mission of our community at www.odos.uiuc.edu/greek/news/communitystatement.asp.

Spring Grade Reports

Chapter Presidents! Please make sure that you provide us your summer addresses where you want mail sent to. This can impact where the chapter's grades are mailed. If you do not inform us of your address, then we will mail them to the campus address. Contact Michelle at moutlaw@uiuc.edu and let her know your address.

Quad Day 2008

Applications for Quad Day 2008 are being accepted now. You will find the application at: <https://www.union.uiuc.edu/involvement/rso/QuadDay2008Application.pdf>

Goat Rankings! Get Ready for the Summer

It is our hope that you have a plan to maintain your property over the summer. Once again, we will continue to provide "Goat Rankings" and will inform you periodically how your yards stand up. The more goats you receive, the more your grass needs to be cut. Also, goats are not very smart, so they eat garbage too.

One goat = looking good
Two goats = time to clean up the farm
Three goats = prime eating material for goats, need to get the yard taken care of
Four goats = can't see the front door from the streets
Goat Rankings will be included in the summer editions of the Illini Greek which will go out monthly!

Illinois Leadership Center i-program! IGNITE

May 13-15, 2008 (Urbana, IL)

Ignite is a three-day, two night conference offered once each semester. Ignite focuses on organizational development and will help you with your level of participation and leadership in organizations. Specific areas discussed at Ignite include: Leading Change, Project and Program Effectiveness, Systems Thinking, and Community Building. During the Ignite program you will work on a small project team and act as consultants to a real organization in the community or campus.
