**Each member should have the person at the agency they performed service at sign this document. Attached is also a document that you can have individuals do in the case that coordinating the sharing of this sheet is too difficult☺. This will serve as verification that you attended and contributed your two hours of service.**

**I will confirm participation with Staci Provezis from Office of Volunteer Programs. All groups indicating participation will be recognized at the Greek Excellence Awards. We will not be able to calculate the final tally to confirm 15 percent until the end of April. We will hold the raffle on May 3<sup>rd</sup> once participation is confirmed. All correspondence and website listings will be done after that time.**
