## **Greek Allies Participation**

Greek Allies: Train the Trainer

An educational workshop for Greek Allies and Friends!

March 3rd 6 p.m.

(the following blurb was provided as an explanation for people in consideration for their involvement).

This workshop will serve as a new educational mechanism in our continued pursuit of developing friends and allies for the Greek LGBT community here at the University of Illinois. The program is designed specifically for use by fraternities and sororities that collectively seek to outreach in promoting awareness, understanding, and dialogue of issues surrounding gender and sexuality in the Greek community.

We will be using a train the trainer model for facilitation and hopefully have a great representation from the various chapters. The goal is to put together a facilitation team that will enable us to provide the workshops as requested. If you are trained, you are not committing to do a certain number of workshops, just volunteering when it fits your schedule. We will need TWO facilitators per workshop once the program is implemented. Join us as we fight homophobia and heterosexism by providing student support and contribution to the U of I community.

The attached attendance sheet reflects organizations that have been trained. We are truly excited about the response we have received from organizations. Thanks to all who could come. We hope it results in increased dialogue and education.

For those who could not, it is not too late to get involved. For headquarters folks, we hope you will pass on thanks to your organizations who did participate. Regardless of people's views on sexual orientation, I hope we can all agree that each and every one of us should treat our brothers and sisters as such and do so with respect and kindness.

*Note from Greek Affairs – the program was not mandatory.*

**The 1872 Society**  
Perpetuating the Ideals of the Fraternity and Sorority Community  
at the University of Illinois

**Background:** since 1872, fraternities and sororities have had an important role in the campus life of the University of Illinois Urbana-Champaign. They have provided opportunities to make friendships grounded in common values such as leadership, scholarship, service, social advancement and friendship. In an effort to celebrate the contributions of the fraternity and sorority community, the 1872 Society will be established.

**Mission:** The 1872 Society will exist to recognize fraternities and sororities and their members who actively live out the ideals of fraternities and sororities every day.

**Membership:** Any member of a fraternity and sorority at the University of Illinois Urbana-Champaign is eligible for membership. Nominations will be brought forth by chapters. Only members meeting the expectations of membership in their respective fraternity and sorority will be allowed admittance. Each fraternity and sorority will be able to provide a list of 25 percent of their current membership for entrance into the society.

**Criteria:** The criteria for membership will be as follows for the inaugural year of the society: all chapters with 15 percent of their membership participating in National Volunteer Week (NVW) for a minimum of two hours per person. NVW is April 16-24. Each chapter will coordinate activities taking place during NVW in partnership with the Office of Volunteer Programs (OVP). They will sign up 15 percent of their chapter with service opportunities. At the completion of the activities, chapter presidents will provide simple documentation that their organization met the 15 percent requirement.

All participating organizations will meet with OVP during the week of April 11<sup>th</sup> to secure their assignments and/or sign up for service opportunities for each participating member.

The criteria will be reviewed to make additions post the 2005 NVW. Additional criteria established should reflect the values of the fraternity and sorority community as articulated at <http://www.odos.uiuc.edu/greek/communitystatement.asp>

**Advisory Board:** One representative from the Office of the Dean of Students (preferably a person with responsibilities for the oversight of fraternities and sororities) to be appointed by the Dean of Students; a representative from the Board of Sorority Affairs; a representative from the Board of Fraternity Affairs; two representatives from each governing council (if applicable, it will be the vice-presidents or chairs with responsibilities related to service and scholarship).

**Incentives:** Participating organizations will receive the following:

- Certificate of participation at the 2005 Greek Excellence Awards
- Letter of commendation to their respective (inter)national headquarters
- Listing of participation at the Greek Affairs website which is accessed by potential members and their parents daily
- All participating groups will be entered into a raffle. Six chapters will be picked to split \$1872 (generously supported by the Adlon Jorgensen Greek Life Endowment)
- Invitation to participate in the NVW recognition event on Friday, April 23 from 12 to 2

Participation is coordinated through the Office of the Dean of Students. Any chapter president interested in their chapter participating should contact Dan Bureau at [dbureau@uiuc.edu](mailto:dbureau@uiuc.edu).
